CASH AT TIME OF ORDERING. In event of our inability to fill your order, no liability attaches to us, and we will return money. All goods are guaranteed true to name, or replaced the next season if by chance they should be labeled wrong, which rarely happens. No liability is acknowledged above the purchase price.

TIME OF DELIVERY: Late April to the middle of June. Planting should be done up to July 1st to insure a long period of blooms. Those planted last will give the Finest specimens for Show Benches. The size of the tubers has no bearing on the plant or flower they produce, one is as good as the other. A good eye in the tuber is the most important point, and that need not be too prominent, as it is liable to get rubbed off. All tubers are sent out in good growing condition, and thereupon all liability of the grower ceases, as they are then out of our control. All goods are sent at purchasers risk, and by Parcel Post.

No complaints will be considered unless made immediately after receipt of goods (wrong labeling excepted if it occurs!)

ALL THE VARIETIES -- are the Latest and Best in their classes we grow, If you want any others, Ask Our Prices, we can probably save you money!

All tubers should be planted on arrival - or placed in sand or moist earth to prevent eyes drying out.
